

**CITY OF ANAHEIM  
MEMBER OF THE CITY COUNCIL**

**LORRI GALLOWAY**

**OCCUPATION:** Executive Director Child Abuse Prevention  
Organization

In May, I sent out a citywide mailer asking you, the Anaheim voters, what issues were most important.

Your responses overwhelmingly told me that police and fire staffing levels must provide for safe neighborhoods and public venues. You said the 91 Freeway is one of the most congested in our state and relief should be a priority. You said the need for housing is critical, and careful development is important. Your issues are my agenda.

As the director of a non-profit child-abuse prevention organization for 20 years, I have learned how to effectively get things done by being resourceful and leveraging assets. Being a fiscal conservative is mandatory. I have a proven record with local, state, and national lawmakers of making things happen. I bring this unique experience to the citizens of Anaheim.

I am proud that citizens throughout Anaheim support my candidacy. Mayor Curt Pringle, Mayor Pro Tern Richard Chavez, Councilman Tom Tait, the Anaheim Firefighters Association, and many other Anaheim leaders have also endorsed my candidacy.

I will address quality of life issues for all, including the poor, needy and underserved. It will be my honor to continue a life of service to the people of Anaheim.
